Relevant Experience

Web Developer @ PaperStreet Web Design

Jan 2019 - Dec 2021 // Fort Lauderdale, FL

▷ Collaborated with in-house design team by converting custom designs, built in Adobe XD, to fully responsive web pages.
▷ Developed a custom WordPress plugin to combine multiple pages into a single PDF.
▷ Updated deprecated sites to meet ADA accessibility guidelines.
▷ Assisted coworkers to automate daily, mundane tasks.
▷ Participated in monthly development team meetings to on-going updates to our base theme and industry trend.

Web Development Intern @ PaperStreet Web Design

Aug 2017 - Dec 2018 // Fort Lauderdale, FL

▷ Assisted existing clients by completing edits to their site via our internal support system.
▷ Resolved bugs reported by QA department found in the development stage of a client's new website.
▷ Shadowed Senior Developers and took notes on best practices and coding standards.

Education

Florida Atlantic University

2014 - 2018 // Boca Raton, FL
Bachelor of Science in Computer Science
